"He that answereth a matter before he heareth it,
it is folly and shame unto him."—*Prov. 18:13.*

THIS letter contains a partial record of what the *members* of The Mother Church, in annual meeting assembled, *have* done under authority of the Manual, and, in Mrs. Eddy's time, with her full approval.

The way is shown whereby the government of the Church may be administered under the Manual as a representative democracy—as our Leader intended.

According to her plan, the members of The Mother Church may act through representatives, and, when in annual meeting assembled, are the court of last resort within the Church.

The preservation of Christian healing is at stake! Obedience to Mrs. Eddy's plan of constitutional government is the only salvation of the Cause.

CONSTITUTION. The Manual of The Mother Church is a Constitution, so understood by Mrs. Eddy, the Discoverer and Founder of Christian Science, and so admitted by the Directors. (23)*

To the officials it is a grant of power, with sharply defined limitations.

Powers not granted are reserved to The Mother Church membership.

CHURCH. The word "Church" as used by Mrs. Eddy in the by-laws quoted herein, is not a synonym for the Directors, but means Church *members*. (40)

BENEFICIARIES. The members of The Mother Church, in annual meeting, have important duties, rights, and powers as beneficiaries under the Manual, the Trust Deeds, and the Will of Mary Baker Eddy. (14, 32, 52 to 69)

DELIBERATIVE ASSEMBLY. The members are authorized to act, and have acted, as a deliberative assembly—with full approval of Mrs. Eddy, and the Directors of her day. For example, they voted in due form, to raise and contribute the sum of \$2,000,000. (16 to 22, 28 to 30)

VOTING MEMBERS. According to Mrs. Eddy's own interpretation, *all* members have been full-fledged "voting" members since 1901. (27, 14 to 22)

ANNUAL MEETINGS. Vast powers belong to the members in annual meeting assembled. The scope of this meeting is clearly defined in the Manual. (52, 27, 14 to 22, 35)

(*The numbers in parentheses are the numbers of the paragraphs in the body of this letter where the proof of these statements is set forth in detail. In the quotations the italics are the author's.)
